1. Situation	a. Graduation ceremonies are a time-honored tradition and required to be executed at a high level of professionalism. Due to the lack of Army Green Service Uniform (AGSU), or Army Service Uniform (ASU) items being available through Army logistic systems and Army and Air Force Exchange Service, many Soldiers do not have a complete and serviceable uniform, thus resulting in a disparity in uniform items amongst organizations that deliver BLC, MLC, and BSNCOC. Given this situation, with approved documentation as specified in the coordinating instructions below, Soldiers are authorized to graduate in the Army Combat Uniform (ACU).
2. Mission	Effective immediately, NCOAs that deliver BLC, MLC and BSNCOC are authorized to conduct graduation ceremonies in mixed uniforms. This allows Soldiers to continue professional military education with the One Army School System for all camps, posts and stations and reduces the disadvantage for any Soldier that does not have a complete and serviceable AGSU or ASU.
